Hello!

In preparation for tomorrow's meeting, here's a first draft of the meal plan review based on our earlier discussion and research.

If other points/ideas come to mind, please include them in the document.

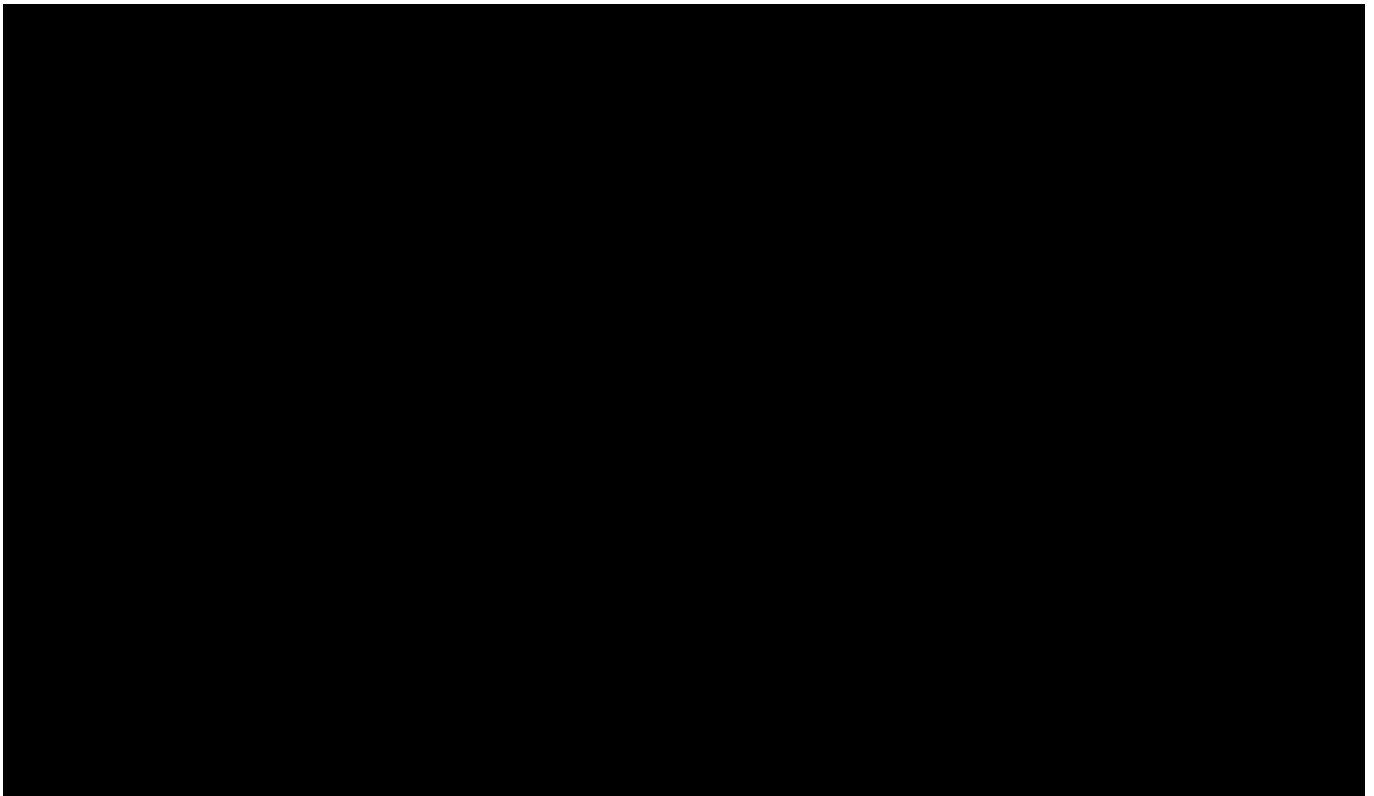

Thanks and see you tomorrow!

Hi Monique

My input from our discussion yesterday and based on the consultant's report for Simon Fraser:

That's about it. If I think of anything else, I will send it along.

Subject: All you can eat proposal

Hi Monique,

As discussed today, here are the points;

I visited 2 universities in Ottawa with an “all you can eat” plan and both were operated by contracted FSP’s. Both had 1 very large dining hall...
