**Subject:** Residential Dining Survey Questionnaire Fall 2022-Oct 19

Hello!

I've been working on a draft survey questionnaire trying to capture students' appreciation of the current situation in the dining halls and of the mandatory meal plan. I hope this survey will give us additional information that will help us push our reflection/discussion further for this project. Thanks for taking the time to review it and for sharing your comments/feedback.

The goal is to launch this survey to all mandatory meal plan students after Halloween ...

Thanks,  
Monique

PS I've excluded DH from this survey!
